Contact Information:	Tel. 555-5555 -101 West 1st Street, Suite 301 - Chicago, Illinois 10418
Collection Site Address:	101 West 1st Street - Chicago, Illinois 10418

Involved Persons:	
Involvement	Name (Lastname, Firstname)
Original Data Obtained From:	Smith, Tim
Original Data Obtained By:	Thomas, John
Original Data Obtained On:	01/01/2010
Requesting Attorney:	Easton, Craig

Custodian List:	
Custodian #	Name (Lastname, Firstname)
Custodian 1	Hall, Allen

Project Description:
John Thomas of IDM was contacted by Craig Easton of Philbrook, Easton & Howe on 02/01/2010 at 8 30AM. Mr. Easton requested that IDM forensically collect and preserve the desktop hard drive belonging to ABC Corporation's employee Allen Hall at the ABC Corporation's main office in Chicago, Illinois.

Project Itinerary:
-Create a Preservation and Working image of Allen Hall's desktop hard drive.

Date/Time:	Actions Performed:
01/01/2010 11:05AM	Received custodian's bare 3.5" hard drive from Tim Smith; Began creating DD image of Allen Hall's desktop hard drive on two separate destination drives using the Image MASter Solo-4 Forensic duplication device.
01/01/2010 12:00PM	Completed creation of DD image; MD5 hash logged and documentation completed.
01/01/2010 12:05PM	Returned original source drive to Tim Smith along with the recently created Preservation and Working copies.

Notes/Comments:
N/A

Collection Information:	
Evidence #:	DCH1534001
Location of Collection:	101 West 1st Street -Chicago, Illinois 10418
Image Method:	Image MASter Solo-4 dd image
Image Filename:	20100101.DCH1534001.*
Image Fragment Size (GB):	2
Imaging Begin Date/Time:	Friday, February 1st, 2010 @ 11:05 AM
Imaging End Date/Time:	Friday, February 1st, 2010 @ 12:00 PM

Device Condition:	
Damaged ?:	None visible.
Remarks:	N/A

Source Media Information:	
Make/Model:	Fujitsu MHV2060BH PL
SN:	FJ194EO9377
Capacity:	250 GB
Disconnect Source?:	Yes
Interface:	SATA
Jumper:	N/A
Hash Value:	0xD13C526558E29G7E6239923C78139AC
Comments:	Bare source drive was received as-is from Tim Smith.
